**Congratulations to our Students of the Week for displaying the
school habits and values as follows:**

Lizzie Janson for All the Argyll East Habits and Values – This award goes to you for the amazing personality you have. Every day you speak nicely to your friends and teacher and always treat people with respect. You lend a hand and look for ways to help others including me. We often talk about it's not what we say but how we say it and you Liz always think about that. Please keep up all that beautiful work. You're a star!!

Lucas Perceval for All the Argyll East Habits and Values – Congratulations on your outstanding achievements at the recent Mathletics competition. You are an eager mathematician who loves to be challenged! You have a positive attitude and have a love of learning in all areas of the curriculum. Your enthusiasm, energy and excitement has a great impact on us all.

Lily Shorten for Awesome Manners and Perseverance – You always start the day with a cheery hello and a bit of a chat. We appreciate that. You are keen to help wherever with whatever. We are focusing on manners and you always use yours Lily. We see that. It has been great watching you over the past weeks training for cross country with clear goals. And you achieved them. We loved your passion project and its final poster presentation. Tino pai Lily.

Raukatauri Hokianga-Quader for All the Argyll East Habits and Values, (inset) – You are an awesome Argyll East student. You show all the habits and values all the time! It is wonderful to see you coming to school with a great attitude and fantastic smile! Thanks for being you!

Tēnā koutou kātoa,

After months of planning, the senior students have headed off today to Lake Tutira to the Guthrie Smith Arboretum and Education Centre. We hope they (and their parents) have a lot of fun! Also, the Year 4's are heading to Lindsay Bush on Friday as part of their outdoor education. Thanks to everyone for your help with these trips.

Yesterday we had Miss Westcott from "Digital Circus" at school working with students in Ruma Tahī and Rua. Miss Westcott is always such a delight and has everyone really involved in her digital literacy lessons.

Our school is looking lovely as usual. Next Tuesday we are going to split into groups to do a couple of jobs around the school. I am going to take a group of children to release the plants along the riparian margin in our farm paddock. A second group will be collecting some sheep manure for our vegetable gardens, and another group of children will be doing some maintenance work around the school grounds. This will happen in the 12 - 1 o'clock session and we welcome any family members who would like to come and give us a hand. Thanks.

Remember that next Wednesday afternoon we have student sharing with families from 5.30pm. Come along and share some of our special learning from term 3. We will also have our sexuality education programme, "Navigating the Journey" on display in the library. Afternoon tea will be provided. We look forward to seeing you.

Good luck to our students who are competing in the CHB Interschool Cross Country - enjoy your day tomorrow.

We are receiving inquiries about Pet Day which we have scheduled for Tuesday 22nd October - please add this date to your calendar.

On the final day of term we have The Playhouse coming to our school to perform "The Tortoise and the Hare" - a nice way to finish off a term of productions!

Have a great week,

Julie Thelwall
Principal
